Notes to Condensed Financial Statements (Unaudited)

- 1. The condensed financial statements of Bowlin Travel Centers, Inc. (the "Company") as of and for the three months ended April 2018 and 2017 are unaudited and reflect all adjustments (consisting only of normal recurring adjustments) which are, in the opinion of management, necessary for a fair presentation of the financial position, operating results and cash flows for the interim periods. The interim financial statements should be read in conjunction with the audited financial statements and notes for the fiscal year ended January 31, 2018. Results of operations for interim periods are not necessarily indicative of results that may be expected for the fiscal year as a whole.
- 2. The Company continues to list for sale property located in Edgewood, New Mexico.

The property was closed October 31, 2007 and the property remains for sale and therefore has been identified as a component as defined in FASB ASC 205-20-45 – Accounting for Impairment or Disposal of Long-Lived Assets (as amended). The carrying value of the property of approximately \$487,000 has been reclassified as assets held for sale in the April 30, 2018 and in the January 31, 2018 balance sheets.

3. In September 2017, the Board of Directors voted to continue the stock repurchase program that began in September 2008, whereby up to 1,000,000 shares of its common stock outstanding may be repurchased in the open market or in privately negotiated purchases from time to time, depending on market conditions and other factors. The purchases will be funded from available working capital and will be made in accordance with applicable securities laws and regulations.

The Company repurchased 9,936 of its outstanding common shares for the three months ended April 30, 2018 at an average price per share of approximately \$2.56 for a total repurchase of approximately \$25,410. The common stock issued and outstanding was reduced by 9,936 shares or \$10 (9,936 shares times the par value of \$0.001), and additional paid in capital was reduced by \$25,400. The reduction in shares issued and outstanding and additional paid in capital is reflected in the accompanying balance sheet.

4. On December 22, 2017, the U.S. enacted the Tax Cuts and Jobs Act (TCJA), which significantly changed U.S. tax law. The TCJA lowered the U.S. statutory federal income tax rate from 35% to 21% effective January 1, 2018.

In prior years, the Company used the effective rate of 34% to calculate deferred tax assets and liabilities. At April 30, 2018, the net deferred tax liability was calculated using the 21% rate which resulted in a \$241,000 reduction to the estimated beginning net deferred tax liability. This change in estimate was included in the current year provision for income tax.
